THANK YOU!

*We would like to thank all of the sponsors,
donors, and volunteers for their generous
contributions to the annual Festival of Trees.*

*For the past 25 years, Ann's Place has
been providing comfort and hope to those
living with cancer.*

*While all of our services are provided free of
charge, there is a cost associated with providing
these services. Since Ann's Place is not funded
by insurance, state or federal programs,
the generosity of individuals, foundations,
corporations and those who participate in and
support our special events is integral to our
ability to serve our clients.*

*With your help, Ann's Place will
continue to meet those needs.*
